CELEBRATING ARTS + CULTURE FROM COAST TO COAST TO COAST

In collaboration with Culture Days and the Neighbourhood Arts Network, Toronto Public Library hosts over 80 Toronto-based artists and arts organizations in a celebration of arts and culture at library branches throughout the city of Toronto. Torontobellydancing.ca presents a Belly Dance Performance at Danforth Library.

Dancer, **Evyenia Karmi** will be offering a glimpse into the exotic world of belly dance, popular in countries such as Greece, Turkey, Egypt and Morocco, to name a few. Participants will have the opportunity to observe a demonstration, followed by a step by step breakdown of the movements used. Discover the beautiful traditional dance form that has increasingly become popular in music videos and pop performances for its glamour, movement and costumes.
